Last summer many enjoyed a fun-filled dinner with friends from the church. We are hoping to schedule another Friendship Dinner this summer. If you are willing to host, please let the church office know. Thanks!

You can help support missions and our missionaries by giving to **"Faith Promise for Missions."** Faith Promise links our 'promise' to give with our 'faith' to believe that God will provide.

To our church family,

Ron and I want to thank you for your thoughts, prayers, cards, phone calls and other acts of kindness during my time of illness. They mean so much. Please continue to remember us in your prayers. I have no immunity right now and must avoid crowds. I only get out for doctor visits and lab work. We love you, pray for you and miss being with you.

Solar Power Proposal

We always seek to be the best stewards of all that God has entrusted to us. One proposal the Leadership Council is considering is installing solar panels (ground mounted structure in the old playground behind the church). While the installation would take 47% of our current savings (after rebates and credits), it has the potential to pay off in only four years at our current electric rates. This year we budgeted \$15,000 for electric utilities, which means that if we go ahead with the proposal, that budget amount can be directed to ministry instead of utilities after the installation cost is paid back to savings. Your input is desired. Let us know what you think! Thanks.

⁶ Don't worry about anything; instead, pray about everything. Tell God what you need, and thank him for all he has done.⁷ Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus (Philippians 4:6-7 NLT).
